About Us

AWIS is a national organization dedicated to achieving equity and full participation of women in science, technology, engineering, and mathematics (STEM).

The AWIS Georgia Chapter operates for charitable and educational purposes only, to advance the vision of AWIS through:

- Promoting academic achievement and professional development by creating opportunities for formal presentation and the academic exchange of ideas.
- Fostering a diverse and inclusive community through mentoring and networking forums.
- Contributing to work/life integration with a supportive environment and resource provisions.
- Engaging individuals with the greater scientific and local lay communities through outreach programming.
- Training members in methods for approaching advocacy and public policy on current issues regarding women in STEM.

AWIS Georgia is the first and only organization in the state of Georgia dedicated to championing the interests of women in all sectors of STEM. We currently have more than 150 members comprised of students, postdoctoral fellows, professors, senior scientists, industry executives, patent attorneys, and business entrepreneurs. Our constituents boast diverse careers in academia, business, industry, and nonprofit sectors, with areas of participation including basic and clinical research, teaching, administration, consulting, patent law, scientific writing, and science policy.

Funding from corporate sponsors is vital to support our mission. Join us in transforming the landscape for current and future generations of women in STEM!

BECOME A SPONSOR TODAY!

Sponsor Levels

The AWIS Georgia Chapter relies on the generosity of corporate, private, and academic sponsors to assist with funding:

- (1) scholarships to women studying STEM disciplines at local community colleges and universities;
- (2) science outreach activities for K-12 grade school children;
- (3) general AWIS Georgia functions, such as our career development workshops;
- (4) resources for mothers re-entering the workforce; and
- (5) 2020 Junior Conference (hosted through AWIS-GA Youth).

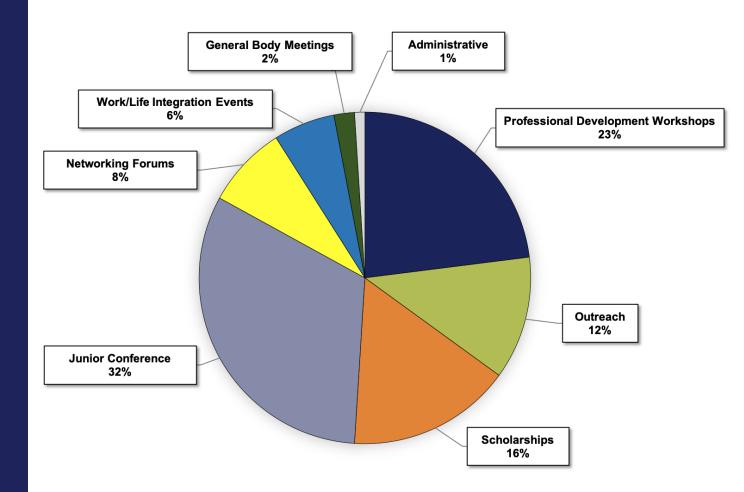

We offer excellent benefits for your company and employees in exchange for website presence, advertisements, job postings, employee discounts, and more (see table below). We can also work with you to customize a particular benefit package.

Sponsorship of AWIS Georgia will enable your organization to significantly enhance the diversity, inclusion, and engagement of the greater scientific community throughout the state of Georgia and beyond!

Fund Allocations

The majority of our funds are invested in programming, such as professional development series, outreach activities, and Junior Conferences. Funds are allocated towards other initiatives such as scholarships, general body meetings, networking and work/life integration events. Administrative costs are negligible, since we are a 100% volunteer-run organization.

Ways to Give

PayPal or Credit/Debit Card

For convenience and security, payments are accepted by PayPal or credit/debit card. Options for single or recurring donations are also included.

PayPal Giving Fund

To avoid transaction fees, donations may be made directly through our PayPal Giving Fund.

Business or Personal Check

Checks should be made out to the "AWIS Georgia Chapter" (with "donation" written on the memo line) and mailed to:

AWIS Georgia Chapter 1760 Haygood Drive NE HSRB, Ste. E-276 Atlanta, GA 30322

With this option, we will mail a donation receipt for tax records.

AmazonSmile

Amazon donates 0.5% of the price of eligible AmazonSmile purchases to a charitable organization of your choice -- at no additional cost to you. Simply start your Amazon shopping at **smile.amazon.com**, and select the "Association for Women in Science - Georgia Chapter" to receive your charitable donations.

For details regarding AWIS Georgia business practices, please visit our GuideStar profile, which was awarded the 2018 Bronze Seal of Transparency.

The AWIS Georgia Chapter is a non-profit, tax-exempt organization under section 501(c)(3) of the Internal Revenue Code, ID 82-3656367. Donations are tax-deductible as allowed by law. For more information, visit our website at https://www.awisga.org.
